Welcome To The Soul-Patrol Newsletter

This edition of the Soul-Patrol Newsletter is all about the "*Soul-Patrol.com Best of 2006*". As is our tradition we will give you our best of picks in the following categories: *Live Performances, Classic Soul, Jazz, Funk, Rock n' Roll, Southern Soul/Blues, Nu Soul, Singles, Compilations, Books, and DVD's*. It's our way of honoring the very best of what we have reviewed during the course of the year 2006. It's also in effect our suggested "*2006 Black Music Buying Guide*" and it's our hope that you will take these artists into consideration when making your choices. (and you can expect some surprises).....

These selections aren't based on media hype, popularity, corporate policies, radio play lists, website visitors, or popular trends. The selections are based on one and only one factor and that is quality of content produced by the artist. That is because we think that is the only factor that the people reading this care about.

The links are all active. Please click on them to learn just why we selected the artist as one of "*Soul-Patrol.com Best of 2006*"
